Welcome to the official State of Wisconsin Offender Web Site. Please read the following information before proceeding to view information by the Wisconsin Department of Corrections.

Conditions of Use:

Purpose

This data is being provided on the Internet to make the information more easily available and accessible, not to warn about any specific individual in your community to promote public awareness concerning the potential threat that sex offenders pose to Wisconsin's citizens.

Sex Offenders have always lived in our communities, but it was not until the passage of the registration law in 1997 that law enforcement was authorized to disclose a sex offender's whereabouts. Furnishing the public with information regarding convicted sex offenders is a critical step towards encouraging the public to protect themselves and their families. Additional information about ways to reinforce personal protection is available in our [on-line publications](#) and on the [Site](#).

WISCONSIN COURT SYSTEM CIRCUIT COURT ACCESS

Access to the Public Records of the Wisconsin Circuit Courts

This website (WCCA) provides access to certain public records of the Wisconsin circuit courts. The information displayed is an exact copy of the circuit court case management system by court staff in the counties where the case files are located. The court record summaries viewed here are subject to Wisconsin open records law.

Please read this agreement prior to using the WCCA website:

The data available on the WCCA website is limited in the following ways:

1. Case information is uploaded to the WCCA website hourly unless periodic maintenance is being performed or the site is experiencing downtime. WCCA website information is accurate as of those updates. The WCCA program may be down for maintenance every night from 3:00 a.m. to 5:00 a.m.
2. Each county began using the circuit court case management system at different times and made independent decisions about the cases. Converted cases may display less information.
3. Records not open to public inspection are not displayed on the WCCA website. Confidential court records include adoptions, juvenile protection, termination of parental rights, guardianship, and civil commitments.
4. The official judgment and lien docket is located in the office of the clerk of circuit court for each county. Although WCCA is not the official lien docket, it does accurately reflect the information entered into the circuit court case management system for that purpose.

Please indicate that you have read the above and agree to the use of the WCCA website subject to the above terms and understand the limitations of the case management database.

Notice to Employers: It may be a violation of state law to discriminate against a job applicant because of an arrest or conviction record. General refusal to hire an applicant on the basis of a conviction only if the circumstances of the conviction substantially relate to the particular job. For more information, see [Statute 111.335](#) and the Department of Workforce Development's [Arrest and Conviction Records under the Law](#) publication.

Publication of court information on other websites: WCCA is not responsible for court case information that is published on other websites. Any attempt to remove court case information for payment is not connected to WCCA or to any circuit court. Wisconsin circuit courts do not accept payment to remove information from the website. Payment to another organization will not cause court case information to be removed from the WCCA website.

Accuracy: The official recordkeepers for the circuit courts are the clerk of circuit court, the register in probate, and the juvenile court clerk in each county. The information contained on the WCCA website has been entered by the official recordkeepers in each county. Information technology staff cannot modify the information on the website.
