# ELECTRIC VEHICLE CHARGER REBATE APPLICATION

Limited rebates are available. Please check with River Falls Municipal Utilities if interested in program to confirm funds are available.

## RESTRICTIONS

- Used Electric Vehicle charging stations are not eligible for incentive.
- Electric Vehicle charging stations included with the vehicle purchase or lease are not eligible for incentive.
- Electric Vehicle charging stations must be UL (Underwriters Laboratories), ETL (Electric Testing Laboratories), or Energy Star certified.

## CERTIFICATION AND AGREEMENT

I understand these incentives are offered for a Level 2 or 3 EV charger at a customer currently receiving electricity on a retail basis from River Falls Municipal Utilities.

River Falls Municipal Utilities makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed including, but not limited to, any warranty of merchantability or fitness for purpose. In no event shall River Falls Municipal Utilities be liable for any incidental or consequential damages.

I understand this program has a limited budget, and applications will be accepted on a first-come, first-served basis, until allocated funds are spent. This program may be modified or discontinued at any time without notice.

I certify that all statements made in this application are correct to the best of my knowledge and agree to River Falls Municipal Utilities confirmation visit of installed EV charger. I agree to the terms and conditions of this offer as set forth on this application.
